

Avery Dennison Corporation - Michael Mitcham - EH&S Manager

Ken Pinkerton - EH&S Coordinator

What is the value of forklift training?

Quality: Knowing that my employees are learning from seasoned veterans.

Consistency: Knowing that my employees receive the same message across all classes.

Knowledge: Knowing that my employees fully understand the variations among our equipment.

Peace of Mind: Knowing that my operators on all shifts know what to do and how to do it right.

Michael Mitcham, EH&S Manager, Avery Dennison, Peachtree City, Georgia

Here at Avery Dennison we take great pride in ensuring the safety of our employees as well as the integrity of our equipment. Providing the appropriate forklift training allows us to maintain a safe workplace. L.I.F.T Training has provided us with the skills and knowledge needed to provide a workplace that is free from forklift related accidents. In addition, the amount of forklift related damage to material and equipment has greatly decreased.
